INVEST IN YOUR COMMUNITY NETWORK IN COMFORT & STYLE DONATE YOUR SUITE FOR AN EVENT

“The Executive Suites program at the Peterborough Memorial Centre raises my business profile as a community partner and allows me to not only entertain but also to give back through opportunities for charitable donations. Access to sporting and special event tickets is a valuable tool to extend for the benefit of my clients and employees. The suite experience is professional and service oriented and allows our company to continue to support our community in many positive ways.”

Peter Blodgett, President
Darling Insurance & Realty Limited

“Outstanding! A typical response when colleagues/staff and guests are welcomed by Peterborough Memorial staff to the Executive Suites. The level of service and anticipation of spectator needs at sporting events and concerts surpasses expectations. It is extremely beneficial to extend/initiate new business or retain existing business in the comforts of a suite while enjoying a local event in a facility that the community benefits from.”

Paul Dietrich, Owner
Parkview Homes

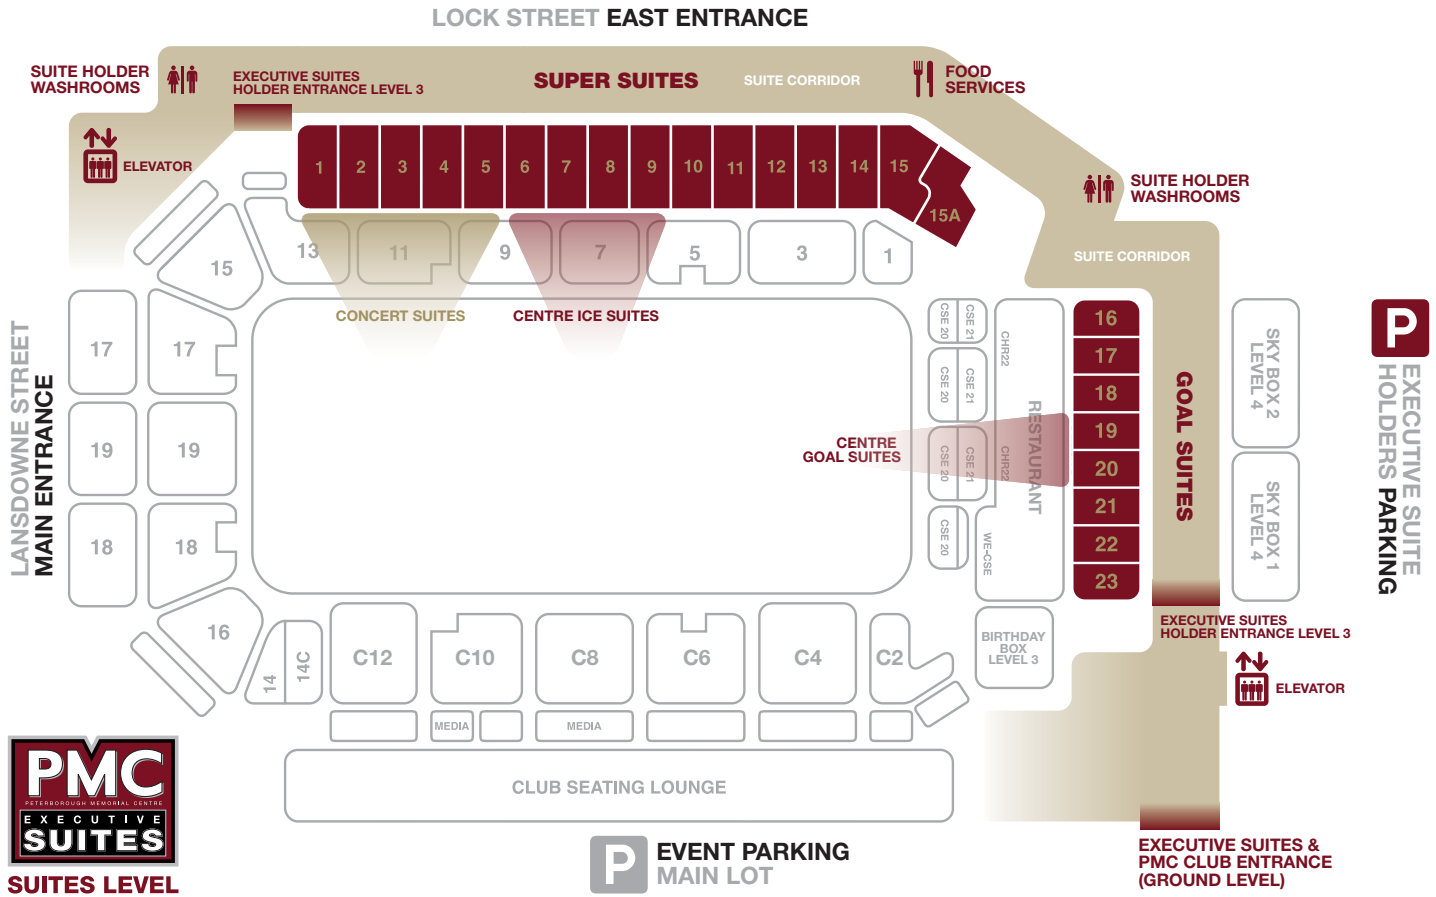

“The Executive Suites have been a good marketing tool for our customer base both locally and in the surrounding area. Our suppliers carry important brand names in our industry. The suite brings excitement to our customers delivering a great view and perspective of the game or event. The suite provides a comfortable atmosphere and all the amenities for business or entertainment. We have partnered with Merit Precision and together will continue to support our local community.”
